BUSINESS EXECUTIVE'S HANDBOOK, 4th Edition

here is an unusual opportunity --
a chance to obtain this famous all-time
best seller among business books at a
fraction of its regular price!

Dear Sir:

By special permission of our Director, I am now able to offer you -- at the token price of only \$1.49 -- this famous Handbook which occupies an honored niche of its own in business literature.

The "Business Executive's Handbook" is by all odds the best known and most widely-used of all business volumes. It has gone through four editions and dozens of printings, sold hundreds of thousands of copies, and is found in business offices everywhere from New York to New Zealand. And still it continues to sell briskly at its regular \$9.50 price. Never before has it been offered at a lower figure.

But now -- as a dramatic introductory offer from the Business Leader's Book Club -- you may have this incomparable volume at \$1.49 -- a saving of more than 84%!

This exceptional opportunity is not to be missed, for nothing else in print today can do so much to increase your earning power and advance your career as this celebrated Handbook. Many of today's most successful men in all lines of business give this volume much of the credit for their achievements.

This is a volume of giant dimensions. In 1495 pages and 12 big sections (each the equivalent of an ordinary book), it places in your hands an inexhaustible treasure of information to help you make your mark in the business world. The Handbook arms you with a sound knowledge of all business operations from Accounting to Advertising, from Financing to Sales Management. It trains your skills in any specialized area you wish; equips you with ideas and know-how for handling any assignment; shows you how to get things done faster, better, and at less cost to your company.

BUSINESS LEADERS' BOOK CLUB

ENGLEWOOD CLIFFS

NEW JERSEY

As I said, this extraordinary volume has never before sold for even a penny less than its regular \$9.50 price. However, you may now take it for only \$1.49, as an example of the many benefits of membership in the Business Leader's Book Club.

This fast-growing Club has one primary purpose: to help you, through a program of selective and systematic reading, to acquire those viewpoints, habits, and skills which make for outstanding success in business. Club members are men like yourself -- fairly young, able, ambitious, and intelligent enough to realize that programmed reading can greatly speed their rate of advancement.

To this end, the Club provides its members with a "balanced diet" of the best in business books. Club selections vary in nature. Some train you in mastering the basic skills...how to speak well, express yourself in writing, how to organize yourself and your work. Others focus on your human relations, showing you how to command the respect and admiration of people you work with. Still others teach you special talents that carry a high price-tag in the business world...for example, how to create original ideas, how to master the arts of salesmanship, how to direct the work of others.

Suffice it to say, each Club selection contributes in some important way to your stature as a businessman. Each one moves you a big step closer to your ultimate goals of high income, a secure position, and the personal satisfactions which reward the very successful man.

You Do Not Have to Buy Any Minimum Number of Selections

This is one of the unique features of the Business Leader's Book Club. No investment is required, beyond the \$1.49 you pay for your first selection. No matter how long you remain a member, you are not required to buy another book or spend another penny.

Nevertheless, you will be regularly informed from month to month about the cream of the new business books being published. You can pick and choose among them, taking those you want, ignoring those you don't want. On the ones you do accept, you will receive the special

discounts extended to Club members only!

Now let me enumerate your rights and privileges as a member of the Club...

1. When you enroll as a three-month trial member, you will receive at once -- for only \$1.49 -- the encyclopedic Business Executive's Handbook described above.
2. Thereafter you will receive, once each month, a free Bulletin describing the forthcoming Club selection, 30 days before it is published. If you want the selection, no action is required; it will be sent to you automatically. If you don't want it, just return the "refusal" card which accompanies the Bulletin.
3. Any selection you decide to buy will be billed to you at the Member's price, which saves you from 15% to 25% on regular list price.

Remember, you commit yourself to no fixed payment in becoming a member. You can buy as many or as few of the selections as you wish, and we will not pressure you to buy more. Thus, you can exercise a discriminating choice in building up a business library that meets your personal interests and needs.

The enclosed membership enrollment form, made out in your name, has unusual value just at this time. For it enables you to begin your membership with the 1495-page Business Executive's Handbook, the all-time bestseller in its field...and you pay only \$1.49 for it!

Certainly this is an opportunity too good to pass up. Take advantage of it now by signing and mailing the membership card... we'll bill you later for the \$1.49.

Sincerely yours,

Arthur Stevens
